SWACHHATA PAKHWADA REPORT 2021

DAY 1: 01/09/2021

Swachhata Shapath Day

On 1st September, 2021, St. Norbert School students took pledge on cleanliness to mark 'Swachhata Shapath Day'. The pledge was taken in English which promoted the virtue of cleanliness of both personal and social, among students. The students were encouraged to dispose the garbage properly & wisely and not to litter around. They were told about the hazards of using plastic items and were motivated to spread awareness to avoid using plastic bags. They vowed to segregate biodegradable and non-biodegradable wastes, so as to make their country clean and green.

SWACHHTA PLEDGE

I take the pledge that I will remain committed towards cleanliness and devote time for this. I will devote 100 hours per year to work for cleanliness. I will neither litter nor let other litter. I will initiate the quest for cleanliness with myself, my family, my location, my village and my workplace.

DAY 2: 02/09/2021

Swachhata Awareness Day

The teachers of St. Norbert School participated in a webinar to celebrate ‘Swachhata Awareness Day’ on 2nd September, 2021. The importance of Swachhata was discussed by teachers in their respective classes to reaffirm their faith in cleanliness towards the school, city and country or wherever they go. *Swachhata* should be a habit which should ensure a better, cleaner and healthier tomorrow, emphasized the teachers.

DAY 3: 03/09/2021

Community Outreach Days

St. Norbert School conducted 'Community Outreach' on 3rd September, 2021 in which the students participated with great enthusiasm and fervor along with teachers. The students demonstrated active participation in educating our school supporting staff about the proper disposal of waste. They welcomed and appreciated the innovative and the beneficial approach undertaken by the trained students. The students were successful in guiding people how to dispose the domestic, industrial and agricultural waste, the use of blue and green dustbins, the prevention of dreadful diseases like dengue, malaria, the effects due to blockages etc. All issues were explained by the students. The campaign culminated with a strong promise from the public that 'Environment cleanliness' is a prime priority which should be taken care of!!!The campaign ended with a Pledge by the students and the community. "Clean India, Green India".

DAY 4 & 5: 04 - 05/09/2021

Green School Drive Days

Our students planted the saplings in the School Campus and at their home surroundings. This activity was carried out in a different manner due to covid. The students actively participated in this activity. They wore green dresses while planting and took the pledge to protect the plants and said a unique slogan “Clean India, Green India”.

DAY 6 & 7: 06 - 07/09/2021

Swachhata Participation Days

(Campus Cleaning Activity)

Students participated in 'Swachhata Participation Days' where they involved in the campus cleaning activity. The students actively took part in this activity and they picked-up wrappers, papers, dry leaves, etc. from the campus and disposed them off in proper dustbins. Through this activity, they learnt the proper and judicious segregation of biodegradable and non-biodegradable wastes and their proper disposal. The 'Blue' and 'Green' -coloured dustbins were made familiar among these young Waste-Warriors and they further pledged to follow the same at home also.

DAY 8: 08/09/2021

Hand Wash Day

‘Hand Wash Day’ was organized in the School for the students. The campaign aimed to motivate and mobilize, students to improve their hand washing habits. The teachers stressed on the habit of washing hands with soap at critical points during the day.

The students were trained on Hygiene using Innovative Play-Based methods like proper technique to wash hands. A simple action of proper hand washing would lead to less absenteeism of students from illness. They were encouraged to use hand-sanitizers in school before and after meal.
